Our Story

Big Sister Foundation is a Lagos-based nonprofit supporting vulnerable children (ages 5–17), girls and young women (ages 13–30), and women in crisis.

We provide food, scholarships, counselling, and safe spaces — giving the disenfranchised access to resources so they can become community-level raisers, not just recipients.

Our three pathways serve those from difficult backgrounds, those with special needs and disabilities, and gifted children identified by academic merit.

Born from a real-life big-sister instinct, the foundation exists to break cycles — investing in people who will one day raise their communities.

Brand Essence

“ *Rooted. Present. Protective.* ”

Rooted

Grounded in community, in truth, in the soil of Lagos. Like the iroko tree, our strength comes from deep roots.

Present

Showing up consistently. Not a one-time gift but a lasting presence — the big sister who is always there.

Protective

Creating safe spaces where the vulnerable can grow, heal, and ultimately rise to lift their own communities.

The Logo

The Sheltering Tree

Our mark is inspired by the iroko tree — a towering, protective hardwood native to West Africa. Its wide canopy provides shelter, and its deep roots anchor communities. The overlapping ellipses evoke organic growth and the layered care we provide.

How we sound — in every email, post, flyer, and conversation.

Grounded

Do: Speak simply and with conviction. Use real stories.

Don't: Overpromise or use hype language.

Warm

Do: Use caring, empathetic language. Address people directly.

Don't: Sound clinical or distant.

Protective

Do: Center the safety and dignity of those we serve.

Don't: Use pity or victimizing language.

Empowering

Do: Frame beneficiaries as future leaders, not recipients.

Don't: Create dependency narratives.

Our Three Pathways

01

Difficult Backgrounds

Single mothers, survivors, and those from broken systems. We meet them where they are with food, counselling, and safe spaces.

02

Special Needs & Disabilities

Children and young people with disabilities who need tailored support, advocacy, and access to opportunity.

03

Gifted Children

Academically gifted youth identified by merit. We provide scholarships and mentorship to ensure talent isn't wasted by circumstance.

Radical Transparency

Every naira mapped. Every child visible.

Direct Donation Mapping

Every donation is mapped directly to a specific child. No pooled funds. Donors see exactly where their money goes — who it feeds, who it educates, who it protects.

Public Ledger

All financial flows are recorded in a public ledger visible to everyone. Trust isn't asked for — it's earned through complete openness about how every resource is allocated.

Not just recipients — future community raisers.
